

**“We understand how dangerous a mask can be.
We all become what we pretend to be.”**

In this scene, Macbeth is discussing hiding his true self. This same idea is expressed several times in the play as wearing “masks.”

Make a mask, but instead of hiding yourself, make it illustrate who you are or who you want to be. It should reflect your personality and interests. On a separate piece of paper, explain how it describes you. Be as creative as possible! You will be expected to use more materials than JUST paper for your final design, so think of interesting ways to solve this problem.
